Al Barari

Al Barari is an environmentally-conscious community with a focus on sustainability and living in harmony with nature. Known for its luxury properties including spacious apartments and villas for sale in Dubai, Al Barari has succeeded in becoming one of the most exclusive and eco-friendly developments in the UAE. Phase I of the abundantly green development features 189 villas in The Residences, 28 bespoke luxury villas in The Reserve, a destination spa Heart & Soul, Body Language health club and signature restaurant The Farm.

Phase II aims to introduce the development to a wider audience, and will see the creation of a 6-star boutique hotel, retail offerings and further residential development in addition to Ashjar, Seventh Heaven and The Nest.

Literally meaning "wilderness", Al Barari was designed to be a true desert oasis. Eighty percent of the development is made up of green space that envelops the palatial villas. Beautiful themed gardens, naturally landscaped lakes, freshwater streams, cascades and waterways make it the lowest density development in the UAE and more akin to a botanical garden than a residential community.

Active Listings

Until an agreed standard for transaction data exists in the UAE market, any supplementary views can add value. Asking prices alone are not reliable indicators of the market, but these listings have been sourced as part of a valuation process, and are seen by RICS-accredited valuers to be relatively in-line with market prices.

About Pascal Persoon

NEDERLANDS

Dubai Platinum helpt beleggers slimmer beslissingen te nemen over investeringen in onroerend goed in Dubai.

Ons team analyseert uw financiële situatie, en creëert een beleggersprofiel.

Bij het investeren in vastgoed hebt u eigenlijk maar één doel voor ogen: maximaal rendement zonder zorgen.

Zowel de ervaren investeerder als diegene die start met beleggen in vastgoed krijgt persoonlijke begeleiding en professioneel advies op maat.

Ons inhouse datateam verzamelt en analyseert vervolgens de historische transactiedata en combineert dit met uw profiel.

Onze analisten komen vervolgens met een aanbevelingsrapport passende bij uw wensen.

Hierna kunt u beslissen om al dan niet in deze projecten te investeren.

Wij kunnen ook aan- en verkoop alerts instellen.

Zodra een bepaald waarde is bereikt, krijgt u een signaal om te (ver)kopen.

ENGLISH

Dubai Platinum helps investors make smarter decisions about investing in real estate in Dubai.

Our team analyses the financial situation, and first of all creates an investor profile.

When investing in real estate, you really only have one goal in mind: maximum returns without worries.

Both experienced investors and those starting out in real estate investing receive personal guidance and professional advice tailored to their needs.

Our in-house data team then collects and analyses historical transaction data and combines it with your profile.

Our analysts then come up with a recommendation report suited to your needs.

After this, you can decide whether or not to invest in these projects.

We can also set up buy and sell alerts.

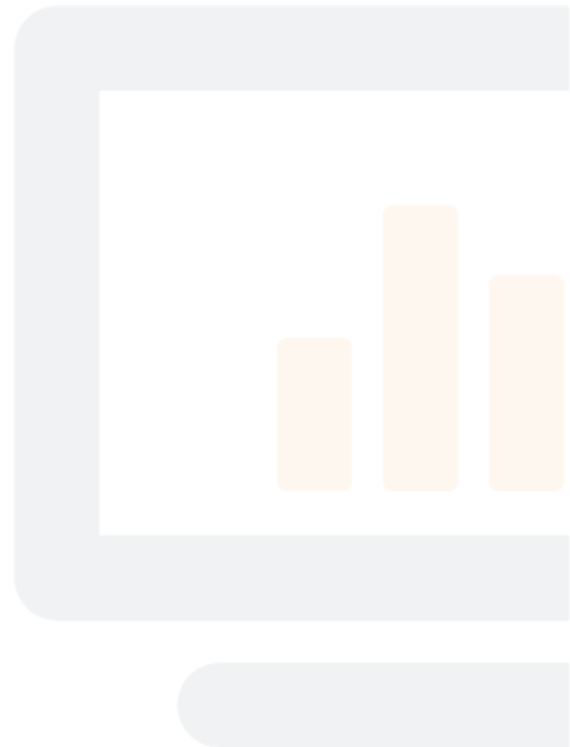

Once a certain value is reached, you will receive a signal to (dis)buy.

See our short video showing how we work:
