Villanova

Wake up to a vibrant atmosphere, where the sound of birds chirping in the vast green expanse blends in with the soft murmur of kids playing in the neighbourhood. Take a stroll on beautifully landscaped walking trails, along efficiently laid out 3 and 4 bedroom villas, cluster homes and apartments at Villanova, inspired by Mediterranean architecture.

Situated within the most serene settings. Villanova offers spacious 3, 4, and 5 bedroom villas and townhouses enriched with the flair of modern Spanish architecture. Home is not the house you buy. It's not the walls, the rooms or the doorways. It's the warmth you create with your loved ones, the memories you make together and that cozy feeling you get as soon as you walk through the door.

Embrace the feeling of home with all the things that bring you closer, from the wide open spaces to the thoughtfully planned amenities that appeal to every kind. Life at Villanova is a choice of neighborhoods - La Quinta & Amaranta, lifestyle that finds pride of place in the heart of this family-centric community.

Publicly Available Data

Off-Plan Sales (Oqood Registrations)

Property Monitor captures market activity the moment that pricing is established: when the buyer and seller agree on a price, i.e. a Sale and Purchase Agreement is signed. This real-time data also captures more data than government transfers, providing visibility not only into specific sub-communities and buildings, but often into floor #, villa type and views.

About Dubai Platinum

Dubai Platinum is a boutique investment firm and offers real estate projects with high potential resales.

We offer:

1. Bulk deals with discounts up to 25% before launch
2. Distressed sales
3. Discounted Pre-Launches

Dubai Platinum is using the latest realized transaction data and market statistics.

This warrants an investment in line with market conditions and high returns.

We do not believe in fairy tales and baseless arguments to advise our customers.

Our clients are loyal, returning customers, as they reward the Dubai Platinum approach.

About Pascal Persoon

NEDERLANDS

Dubai Platinum helpt beleggers slimmer beslissingen te nemen over investeringen in onroerend goed in Dubai.

Ons team analyseert uw financiële situatie, en creëert een beleggersprofiel.

Bij het investeren in vastgoed hebt u eigenlijk maar één doel voor ogen: maximaal rendement zonder zorgen.

Zowel de ervaren investeerder als diegene die start met beleggen in vastgoed krijgt persoonlijke begeleiding en professioneel advies op maat.

Ons inhouse datateam verzamelt en analyseert vervolgens de historische transactiedata en combineert dit met uw profiel.

Onze analisten komen vervolgens met een aanbevelingsrapport passende bij uw wensen.

Hierna kunt u beslissen om al dan niet in deze projecten te investeren.

Wij kunnen ook aan- en verkoop alerts instellen.

Zodra een bepaald waarde is bereikt, krijgt u een signaal om te (ver)kopen.

Zie onze korte video met onze werkwijze:

<https://www.dubaiplatinum.com/video>

Dank u voor het werken met Dubai Platinum.

Pascal G.M. Persoon MBA
CEO

ENGLISH

Dubai Platinum helps investors make smarter decisions about investing in real estate in Dubai.

Our team analyses the financial situation, and first of all creates an investor profile.

When investing in real estate, you really only have one goal in mind: maximum returns without worries.

Both experienced investors and those starting out in real estate investing receive personal guidance and professional advice tailored to their needs.

Our in-house data team then collects and analyses historical transaction data and combines it with your profile.

Our analysts then come up with a recommendation report suited to your needs.

After this, you can decide whether or not to invest in these projects.

We can also set up buy and sell alerts.

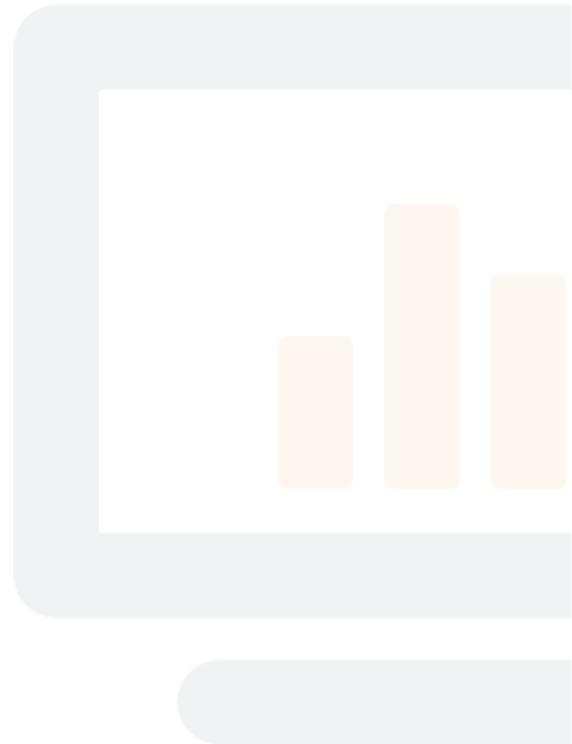

Once a certain value is reached, you will receive a signal to (dis)buy.

See our short video showing how we work:

<https://www.dubaiplatinum.com/video>

Thank you for working with Dubai Platinum.

About Property Monitor

Property Monitor is the UAE's leading real estate data analytics and market intelligence platform, bringing unprecedented transparency and accuracy to local property markets. Through Property Monitor, market stakeholders can directly access real-time, transparent and accurate intelligence, unmatched anywhere else in the region. The platform empowers investors, property specialists and banking professionals with authoritative data, analytics and insights that closely correlate with market movements, empowering confident and informed property-related decisions.

We offer more comprehensive house price data, both public and proprietary, than anyone else in the market. We source our data from the UAE's top valuation companies and from a growing network of reputable real estate brokers who provide data to us exclusively.

Our data and insight are available to the market in a fast-growing set of products and solutions, online and offline, out-of-the-box and customisable.

About this report

This report offers comparable market evidence and agent opinion, based on transactional data the real estate agent selected to represent in this report.
