Business Bay

Dubai's Business Bay is the same in nature to Manhattan or Ginza which are the business centers for the cities of New York and Tokyo. The legendary Dubai Creek - an important aspect of Dubai's trading past that have shaped Dubai from a fishing and pearl diving center to international port; has been extended considering its significance as a trade centre that havens the stance of Dubai as the business hub of the region. Business Bay is a symbol of Dubai's progress as it embodies the crucial role the Creek played in Dubai's past as well its future.

Dubai Internet City, Dubai Media City, Dubai International Financial Center and others have seen determination initiatives this past few years. To extend the international role of the UAE, Business Bay is the foundation of the new economic. UAE is looking forward to play as a leading international commercial and business center that reflect the determination image and the role of Dubai and was undertaken after broad studies by some of the world's top consultancies.

Business Bay is emerging as the main business district of Dubai. As of Q4 2016: there are about 75 ready buildings and at least 35 under-construction. Business Bay is primarily made up of office buildings, but a number of residential & hospitality projects are ready and under-construction We consider Business Bay a real estate hotspot with high growth potential.

Off-Plan Sales (Oqood Registrations)

Property Monitor captures market activity the moment that pricing is established: when the buyer and seller agree on a price, i.e. a Sale and Purchase Agreement is signed. This real-time data also captures more data than government transfers, providing visibility not only into specific sub-communities and buildings, but often into floor #, villa type and views.

About Pascal Persoon

NEDERLANDS

Dubai Platinum helpt beleggers slimmer beslissingen te nemen over investeringen in onroerend goed in Dubai.

Ons team analyseert uw financiële situatie, en creëert een beleggersprofiel.

Bij het investeren in vastgoed hebt u eigenlijk maar één doel voor ogen: maximaal rendement zonder zorgen.

Zowel de ervaren investeerder als diegene die start met beleggen in vastgoed krijgt persoonlijke begeleiding en professioneel advies op maat.

Ons inhouse datateam verzamelt en analyseert vervolgens de historische transactiedata en combineert dit met uw profiel.

Onze analisten komen vervolgens met een aanbevelingsrapport passende bij uw wensen.

Hierna kunt u beslissen om al dan niet in deze projecten te investeren.

Wij kunnen ook aan- en verkoop alerts instellen.

Zodra een bepaald waarde is bereikt, krijgt u een signaal om te (ver)kopen.

ENGLISH

Dubai Platinum helps investors make smarter decisions about investing in real estate in Dubai.

Our team analyses the financial situation, and first of all creates an investor profile.

When investing in real estate, you really only have one goal in mind: maximum returns without worries.

Both experienced investors and those starting out in real estate investing receive personal guidance and professional advice tailored to their needs.

Our in-house data team then collects and analyses historical transaction data and combines it with your profile.

Our analysts then come up with a recommendation report suited to your needs.

After this, you can decide whether or not to invest in these projects.

We can also set up buy and sell alerts.

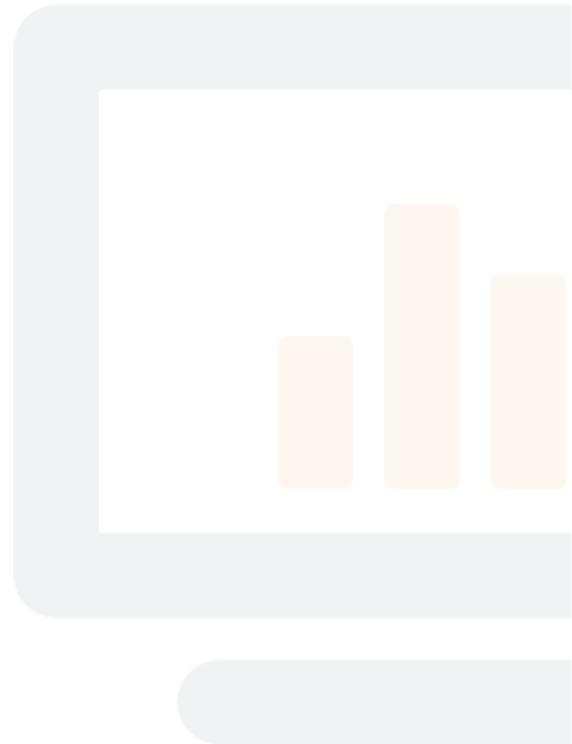

Once a certain value is reached, you will receive a signal to (dis)buy.

See our short video showing how we work:
